SNOW TWENTY-TWO INCHES DEEP.

Sleighs Drawn With Difficulty Through Drifts in Northern New York Sunday afternoon and night snow fell briskly in northern and western New York, and a twenty to twenty-five mile gale prevailed at many points. At Holmesville, in Oswego county, the storm raged from 10 o'clock Saturday night to 5 o'clock Sunday morning. There are twenty-two inches of snow on the level between Holmesville and Orwell, and sleighs and tears broke through the drifts with difficulty, the snow being up to the horses' bodies.

Watertown, Theresa, Gloversville, Nunda, Portageville, Oswego and other places report from two to ten inches of snow. At Pulaski, in Oswego county, seventeen inches fell, and a heavy thunder accompanied the storm.

Snow commenced falling at an early hour at Erie, Pa., Sunday morning and continued steadily all day. At 9 p.m. the earth was covered to the depth of ten inches. and a twenty to twenty-five mile gale pre-

The Colt Domestic Scandal.

As indicated in yesterday's Star would be the case, Mrs. Samuel P. Colt has begun suit for divorce at Providence, forestalling the action which her husband was expected to institute. In the papers filed by Mrs. Colt's attorney adultery on the part of Col. Colt is alleged, but no co-respondent is named. A sensational feature has been added to the case by the issuance of a writ for the arrest of Mr. J. J. Van Alen of Newport, on the charge of alienation of the affections of Mrs. Colt, damages being demanded by Col. Colt in the sum of \$200,000.

The Bishops Recede. In the house of deputies of the Protestant Episcopal general convention at Minneapo-lis yesterday Dean Hoffman reported that lls yesterday Dean Hollman reported that the house of bishops had receded from their choice of the word "synod" instead of convention and had agreed to give up the "primate" nomenclature. With these concessions the house adopted article 1 of the revision, and that much is settled with out further consideration by the new con-stitutional revision committee. THE RECOGNIZED STANDARD

Grumbling Abourd the Marion.

The United States man-of-war Marion, which left San Francisco a week ago for a long cruise, has reached San Diego, and allong cruise, has reached San Diego, and al-ready stories have come back of dissatis-faction among the men. All sorts of com-plaints have been registered against the old warship, even to the quality of the food furnished the officers and men. It is said the vessel was sent to sea with a bad outfit, that the engines were not in good condition, and that the steam capstan would not work. would not work.
